Sir,

Sub: Accounts - cost of Postal and revenue stamp - pay by cheques - objection by the Postal authorities instructions soliciting.

Postal and revenue stamps required for office use were being purchased from the Post Master, Mangalore on presenta a cheque forthe required amount drawn on the Imperial Bank India, Mangalore in favour of thePost Master. On every occasion the Post Master used to accept the cheque and issue the required stamps.

On 26-6-1953, however a cheque for Rs.100/- drawn in favour of the Post Master, Mangalore was not accepted by th Post Master and he insisted upon cash payment towards cost the stamps.

The Post Master has cited the clause 37-A(a)(iii) of Posts and Telegraphs Guide Part I as ground for the refusa of the cheque. The relevant clause is stated to read "Ch will be accepted from the public provided that the bank concerned gives a guarantee on a stamped paper and is such form as prescribed by the D.G.P.T.renewable annually to th effect that all cheques drawn in favour of the P & T. Depar by particular drawees therein will be honoured by it." T Post Master further stated that the procedure followed by till 26.6.53 is contrary to theabove rule and that it has objected to in audit."

All payments by the Municipality are made by deques dr on the Imperial Bank operating the Treasury account and the procedure now insisted upon by the Postmaster, Mangalore causes much inconvenience. I have since purcha the stamps by paying cash.

Under the above circumstances, I request that the Gov may be pleased to issue necessary instructions to Postal authorities in the matter.
